SERVICES AND SOLUTIONS FOR A LIVABLE REGION

Metro Vancouver

Population:

2.7 million

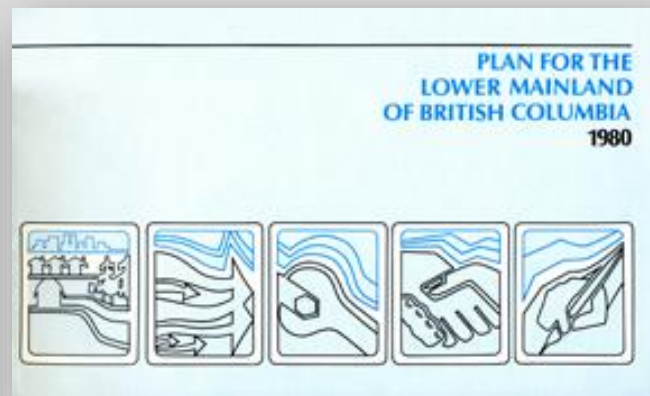

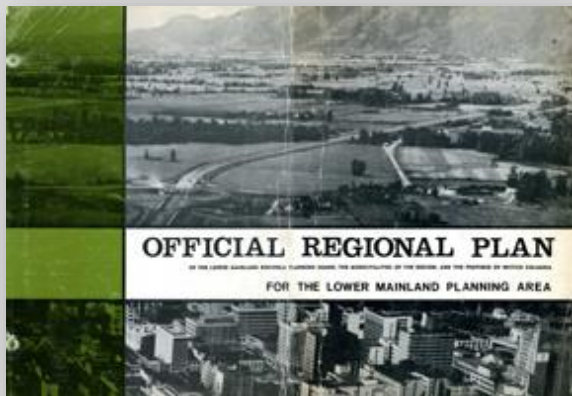

53% of the
population of BC

Jurisdictions:

21 Municipalities,
1 Electoral Area, and
1 Treaty
First Nation

WORKING TOGETHER FOR A
LIVABLE REGION

Regional Planning Principles

- Put growth in the right places (centres and corridors)
- Protect important lands (agricultural, conservation, industrial)
- Support complete communities
- Create diverse and affordable housing, better mobility, prosperous economy
- Enable efficient urban infrastructure (utilities, transit)

Metro 2040

- Adopted in 2011 by member jurisdictions, FVRD, SLRD, TransLink and MVRD Board
- Strong and effective long-term vision for collaboratively managing anticipated growth to the region

Why update the Regional Growth Strategy?

Purpose of Strategy Review & Update

- Update Growth Projections to 2050
- Align with *Transport 2050*, *Climate 2050*
- Consider Critical Issues: Climate Change
- Consider Critical Issue: Social Equity
- Consider Critical Issue: Resilience

Consider Critical Issues: Climate Change

Consider Critical Issues: Social Equity

Consider Critical Issues: **Resilience**
